Dear Parents,

Greetings from PPSCIS!

Christmas is here and we are ready to celebrate with traditional cheer!

Christmas activities are the perfect way to help students enjoy the season while learning and having fun. **On Friday, 24th December** our school is celebrating Christmas day in school premises during school hours. It will be a fun filled day with surprises in store, games and much more.

Please take a note of the following -

- ◆ Students of Grade I and II have to come dressed as Santa Claus.
- ◆ Dress code for Grade III - XII: **RED** colored clothes
- ◆ Each student needs to bring a gift item (value not exceeding Rs. 100/-) to celebrate the Christmas day and learn the art of sharing and spreading happiness with fun.
- ◆ Students can bring in their favorite snacks to share with their peers.

Wishing you all a Merry Christmas and a prosperous New Year!

Regards
