“Good manners will open doors that the best education cannot”.

Dear Parents,

No matter where you are - at home, work, or with friends - practicing good manners is important. Manners are something that are used everyday to make a good impression on others and to feel good about one's self. To inculcate good manners in the kids and to further add a new dimension to their learning, PPSCIS will have a Table Layout Activity on **22nd June, 2022** where the children will practice correct table setting procedures and identify acceptable manners and etiquette skills to be used with meal service.

NOTE:

Kindly note that it is mandatory for all the students to bring a table mat, fork & spoon, a Small Dish/Bowl, Sliced/Chopped fruit of one's choice and a Napkin for the same.
