***'Share our similarities, celebrate our differences'***

Dear Parents/Guardians,

International Day is a day for the entire school to come together and celebrate the diversity of our world, as well as recognize, appreciate and learn about other cultures around the world.

International Day is an annual event which aims at making the students more familiar with the world's wonderful cultures and traditions. It is a celebration of the world's diversity and beauty, of the things that differentiate us and yet bring us together.

PPSCIS takes immense pleasure to invite you on **Saturday, 27th August** to this International Day "**SAPTA PARV - Rejoicing the essence of world's culture**" organized at the school. Starting at 10:00am you are invited to watch the very popular and colorful Traditional Dance of different countries followed by the Exhibition. Students are always very proud to wear their national costumes to school and to be the ambassadors of the countries allotted to them.

We hope you will be able to join us on this very popular and important event for our school's community.
