Dear Parents,

Greetings to you all!

The inspiration and power of art play a vital role in enabling our children to enhance their creative talent and develop their artistic skills. Children naturally love art, painting and drawing and express their feelings without words.

We at PPSCIS appreciate the importance of Art and Drawing in building the kid's brain.

PPSCIS had organised '**Colouring Competition**' for the students of **Grade I & II** and "**Drawing Competition**" for **Grades III-V** on 8th of September, Wednesday 2022. Students will be given the art paper from school but they need to bring their own colouring materials like crayons/ colour pencils for the competition.

The criteria for the competition will be skills, colour application, colour combination and neatness.
