Dear Parents/Guardians,

Warm Greetings from PPSCIS !

As you are aware, PPSCIS aims for holistic development of students and always puts in efforts to promote learning through outdoor interactions and experiences. We believe that trips and excursions are not only a perfect way to expand one's horizons but also instill a sense of appreciation for the wonders of the earth and expose one to a wide variety of cultural and geographical ecosystems. Another important objective of planning this trip is to provide an opportunity to teachers as well as students to bond with each other, giving both a break from their regular schedules.

The school has therefore planned for the following Educational Field Trip for the students of Pre Primary to Grade XII.

Sr. No	Date	Destination	Grade/s
1.	11/10/2022	Aquarium	Pre Primary
2.	12/10/2022	Science City Center	I - V
3.	13/10/2022	Science City Center	VI - IX
4.	17/10/2022	Water Treatment Plant	X - XII

**Kindly note the following:**

- Students will have to come in School uniform with I Card and preferably sports shoes on the day of field trip.
- School timings for these students will be as usual.
- Do send snacks (preferably dry) + a water bottle (duly labeled) + Juice along with your child.
- **The educational field trip will be conducted during school hours.**

Regards  
Principal
