Dear Parents/Students,

We are excited to announce that due to the immense significance of well-being in today's world, we will be integrating the **Wellspire Program** into our curriculum. This decision underscores our commitment to providing our students with comprehensive education that equips them with essential life skills beyond academic excellence.

As part of this integration, we will be hosting a special **Wellspire Orientation Program** on **April 13, 2024** for the students of **Grade V - VII**. This orientation aims to provide students with an introduction to the Wellspire curriculum, allowing them to gain insights into its objectives, methodologies, and benefits.

It's an excellent opportunity for students to learn more about this innovative program and how it will enrich their educational journey.

The ConsciousLeap Wellspire program is a transformative 3-year journey designed to enhance the overall well-being of students by seamlessly integrating life and success skills into their academic experience.

Through an innovative and experiential approach, Wellspire empowers our children to embrace their unique personalities and strengths, fostering a positive mindset that resonates in all aspects of their lives.

It's an opportunity for our students to embark on a journey of self-discovery, armed with the tools and mindset needed to navigate life's inevitable challenges with resilience and confidence.

We invite all **Grade V - VII students** to join us on **April 13 at 11:00 AM in the Small Auditorium** for this transformative event.

Let's embark together on a journey towards holistic well-being and personal fulfillment!

Warm regards,

Principal
PPSCIS.
