Date: 16/04/2025

Dear Students,

As the summer vacation approaches, we would like to remind all our students that learning never stops even during the holidays. Keeping that in mind, we have designed a summer homework program to help students stay on top of their studies and to continue developing their skills.

The summer homework assignments are tailored to each grade level and subject area. These assignments cover a range of topics, from reading and writing to math and science, and will challenge students to think critically and creatively.

We understand that summer vacation is a time for relaxation and fun, but we also believe that keeping the brain engaged is important for academic success.

We encourage all our students to dedicate a portion of their day in completing their summer homework while also taking time to enjoy their vacation with family and friends.

We also remind our students that completing the summer homework will not only help them academically but will also develop important time-management and organizational skills that will serve them well throughout their academic careers.

**SUMMER HOLIDAY HOMEWORK, 2025-26**

GRADE	HOLIDAY HOMEWORK
VI	Create a comic strip based on a prompt such as: "If I could visit another planet..." or "The day I woke up with superpowers....". Make sure to portray your characters correctly. OR Create a geometric design (e.g., tessellation or patterns) using basic shapes such as triangles, squares, and circles. Write a paragraph explaining the shapes and how symmetry works in your design.

**Note :**

- 1. Holiday homework will be assessed for subject enrichment in Periodic Tests.**
- 2. Do reading practice daily.**
- 3. The assignment should be done in the Project Book. Write your name, grade and heading of each topic in the Project.**
- 4. The assignment should be submitted on June 09, 2025 on the reopening day.**

Regards  
Principal
