Date: 16/04/2025

Dear Students,

As the summer vacation approaches, we would like to remind all our students that learning never stops even during the holidays. Keeping that in mind, we have designed a summer homework program to help students stay on top of their studies and to continue developing their skills.

The summer homework assignments are tailored to each grade level and subject area. These assignments cover a range of topics, from reading and writing to math and science, and will challenge students to think critically and creatively.

We understand that summer vacation is a time for relaxation and fun, but we also believe that keeping the brain engaged is important for academic success.

We encourage all our students to dedicate a portion of their day in completing their summer homework while also taking time to enjoy their vacation with family and friends.

We also remind our students that completing the summer homework will not only help them academically but will also develop important time-management and organizational skills that will serve them well throughout their academic careers.

### **SUMMER HOLIDAY HOMEWORK, 2025-26**

GRADE	HOLIDAY HOMEWORK
VII	<p>Take a picture of a building, object, or structure that involves geometric shapes (e.g., a playground, a house). Label the shapes (e.g., triangles, rectangles, circles) and calculate the perimeter/area if possible.</p> <p>OR</p> <p>Choose a topic you feel passionate about (e.g., "Should schools have uniforms?") and prepare arguments for both sides. Write an essay outlining the pros and cons of the topic, aiming to build a balanced viewpoint.</p>

**Note :**

- 1. Holiday homework will be assessed for subject enrichment in Periodic Tests.**
- 2. Do reading practice daily.**
- 3. The assignment should be done as per the required format. Write your name, grade and heading of each topic in the Project.**
- 4. The assignment should be submitted on June 09, 2025 on the reopening day.**

Regards  
Principal
