Date: 16/04/2025

Dear Students,

As the summer vacation approaches, we would like to remind all our students that learning never stops even during the holidays. Keeping that in mind, we have designed a summer homework program to help students stay on top of their studies and to continue developing their skills.

The summer homework assignments are tailored to each grade level and subject area. These assignments cover a range of topics, from reading and writing to math and science, and will challenge students to think critically and creatively.

We understand that summer vacation is a time for relaxation and fun, but we also believe that keeping the brain engaged is important for academic success.

We encourage all our students to dedicate a portion of their day in completing their summer homework while also taking time to enjoy their vacation with family and friends.

We also remind our students that completing the summer homework will not only help them academically but will also develop important time-management and organizational skills that will serve them well throughout their academic careers.

### SUMMER HOLIDAY HOMEWORK, 2025-26

GRADE	HOLIDAY HOMEWORK
X- XII	<p>1. Write a (400-500 words) short story that explores the theme of "Isolation". You can choose a genre (e.g., dystopian, realistic fiction) and incorporate symbolism or metaphor.</p> <p style="text-align: center;"><b>OR</b></p> <p>Collect data on a subject of interest (e.g., the heights of students in your class, favorite sports- calculating distance run, ,daily temperature readings, hours spent on different activities etc.). Calculate the mean, median, mode, and range of your data. Present the results of the data visually and analyze any patterns or trends with short description.(Excel or Google sheets can be used but hard copies required)</p>

**Note :**

- 1. Holiday homework will be assessed for subject enrichment in Periodic Tests.**
- 2. Do reading practice daily.**
- 3. The assignment should be done as per the required format. Write your name, grade and heading of each topic in the Project.**
- 4. The assignment should be submitted on June 09, 2025 on the reopening day.**

Regards
