Dear Parents,

Greetings from Team PPSCIS!

Subject: Consent for Continuation of Schooling for the Academic Year 2026-2027

Education from a holistic perspective focuses on the intellectual, emotional, social, physical, artistic, creative, and spiritual development of every child. We are pleased to share that PPSCIS has successfully completed 17 years of academic excellence, made possible through your continued trust, cooperation, and active participation.

At PPSCIS, we believe in nurturing the child as a whole, thereby shaping progressive and responsible thinkers. Our educational approach emphasizes active learning, critical and creative thinking, effective communication, collaboration, technological competence, life skills, and career-oriented personality development.

We strive to provide highly personalized learning experiences that enable students to achieve individual goals while contributing positively to the community and upholding social responsibility. Over the years, it has been our consistent practice to keep parents well informed in advance about all academic services, facilities, and initiatives. We firmly believe that effective planning and transparent communication are the foundation of a strong school culture.

As part of our continuous efforts to serve students and parents better, several reforms and facilities will continue in the upcoming academic year:

- All Saturdays will remain off for all students.
- The hostel facility for Classes IV to XII continues to be in high demand, with strong satisfaction regarding pastoral care.
- Transportation services will continue with the Stop System, as followed in the previous year.
- Food will be provided only during lunchtime.

Therefore, we request you to provide your consent for the continuation of your ward's schooling at PPSCIS for the Academic Year 2026-2027. Upon receipt of positive consent:

- **Student essentials will be planned and ordered accordingly.**

In this regard, we seek your cooperation to enable us to place orders for all student essentials by January 2026.

Kindly sign the Consent Form sent along with this circular and return it to the school on or before 12 January 2026.
