Dear Parents,

We are delighted to announce an exciting and educational opportunity for our students – **The Star Party Program**, conducted by **Night O' Mania**, where children will explore the wonders of the night sky through guided astronomical activities.

The Star Party will be held on 24th December 2025, beginning at 4:00 pm and concluding on 25th December 2025 at 8:00 am. Students will engage in a range of enriching activities such as **space-themed games, space observation, telescope alignment, and deep-sky observation** under expert guidance.

This event is open to students of **Grades 3 to 12**. Registrations will close on 23rd December. We request parents to complete the registration before the deadline to secure a spot for their child.

Parents are also invited to be part of the experience. A dedicated **one-hour parent session** will be arranged during the event, after which parents may return home and pick up their child the following morning.

The **fee for the program is ₹1500**, which includes participation for the student as well as the parent observation session.

We look forward to your enthusiastic support as our learners embark on this unforgettable journey into the cosmos.

**Best Regards,**  
**Principal**
