***"Under the Moonlight, Our Little Stars Shine Bright!"***

Dear Parents,

Greetings from PPSCIS Fraternity!

As the school's session draws to an end, it is memories of togetherness and friendship that leave an indelible imprint on a child's mind. Let us carve that moment in time when the children feel independent and spend some time with their friends and teachers without the shackles of books and time tables.

Night out is an event which is full of fun and adventure where students learn to be independent, bond well with their peers and educators and also enjoy new activities.

We are organizing the **Night Camp** on the **13th of February 2026 (Friday) for the students of Nursery to II**. This activity is a part of our mission which is to inculcate and foster in students a strong social consciousness so that they may be effective team players. Let our children see a different facet of school days by providing our consent for the same.
