Dear Parents and Guardians,

In our continuous endeavor to forge a positive and enriching educational atmosphere for our students, we at PPSCIS are pleased to announce a **Parents' Orientation on April 11, 2026**. This initiative is aimed at cementing a tripartite alliance of mutual respect, understanding and collaboration between parents, teachers and students, thereby fostering a conducive learning environment.

Purpose of the Orientation:

The Orientation Program is designed to provide a comprehensive overview of the forthcoming academic year, encapsulating the curriculum, academic expectations, assessment patterns and the introduction of new initiatives. It serves as the inaugural platform for a fruitful dialogue between you and the Class Teacher, offering insights into the school's ethos, policies, and the academic voyage that awaits your ward.

It helps to familiarize yourself with the assessment mechanisms that gauge your ward's academic progress, to discover the new programs and methodologies, a walkthrough of the school's policies and an invaluable opportunity for direct interaction with your child's mentors, fostering a shared commitment to your ward's educational success.

Event Details:

Orientation: Grade I - XII

Timing: 10:00 AM - 11:30 AM (followed by refreshments)

Arrival Time: Parents are kindly requested to arrive by **9:30 AM** to facilitate a timely commencement.

Venue: Respective Classrooms

The presence of at least one parent is highly encouraged, underlining the importance of a collaborative effort in shaping the educational landscape of our students.

We earnestly look forward to your support and active participation in this orientation.

Warm Regards,
Principal
