Diwali Holiday Homework, 2026-27

PPSCIS/26-27/CIRCULAR/P-049

Date: 28/10/2026

Dear Students and Parents (**Grade-1**)

Diwali, the festival of lights, is almost here — and it is a wonderful chance to turn the celebrations into learning!

During the Diwali Vacation, your child will become a **Diwali Sparkle Explorer** and complete a fun, hands-on project that connects **English, Maths, Science and Global Perspectives** with real Diwali moments at home. The tasks are short and can be done a little at a time, so there is plenty of time left for family, festivities and rest.

Please let your child do the work independently, with family members as cheerful helpers.

DIWALI VACATION PROJECT, 2026-27

My Diwali Sparkle Book

Spot it! Draw it! Count it! Share it!

Your Mission: Become a **Diwali Sparkle Explorer**! Look around your home, street and market, and fill your Project Book with colourful pictures, numbers and words. Ask a family member to help you.

Mission 1	Diwali Word Detective a) Draw or paste pictures of 3 things you see during Diwali - significant to festival (Hint: a diya, rangoli, sweets, lights, new clothes...). b) Under each picture, write its name and finish the sentence: I see a _____ . Add a describing word to make it sparkle, like "I see a bright diya."
Mission 2	Count, Pattern & Share a) Draw a rangoli using circles, triangles and squares. Count the shapes and write: ___ circles, ___ triangles, ___ squares . b) Colour the 10 diyas in the attached worksheet below. Colour 4 diyas yellow and the remaining diyas orange . Cut and paste the coloured diyas into your project book and write the number of yellow and orange diyas.
Mission 3	Light & Dark Detective a) Write the names of three or more things that can reuse or recycle after Diwali celebrations. b) Draw a Safety Star and write one rule for staying safe near a diya or candle. (Hint: who should light it?)
Mission 4	Sharing & Caring Heroes a) Make a Diwali thank-you card for a person who helps us (the watchman, driver, cook, teacher or neighbour). Write: "Thank you for _____." b) Attach a picture of yourself giving the thank you card .

Diwali Holiday Homework, 2026-27

PPSCIS/26-27/CIRCULAR/P-049

Date: 28/10/2026

Dear Students and Parents (**Grade IV**)

Diwali, the festival of lights, is almost here — and it is a wonderful chance to turn the celebrations into learning!

During the Diwali Vacation, your child will become a **Diwali Investigator** and complete a fun, hands-on project that connects **English, Maths, Science and Global Perspectives** with real Diwali moments at home. The tasks are short and can be done a little at a time, so there is plenty of time left for family, festivities and rest.

Please let your child do the work independently, with family members as cheerful helpers.

DIWALI VACATION PROJECT, 2026-27

Diwali Investigators: Light Up the World!

Think like a writer, a mathematician, a scientist and a global citizen

Your Mission: You are a **Diwali Investigator**! Plan a family budget, run a fair test with light and shadows, and find out how festivals of light can be kind to people and the planet.

Mission 1	The Diya Speaks a) Interview an elder (a grandparent, neighbour or relative) about how Diwali was celebrated when they were young. b) Write 3 lines of the conversation using speech marks, then change one line into reported speech .
Mission 2	Diwali Budget & Rangoli Designer Price List: Diya pack ₹45 Rangoli colour set ₹120 Sweet box ₹250 Fairy lights ₹180 Flower garland ₹60 Gift hamper ₹350 a) Your family's Diwali budget is ₹2,000 . Make a bill with at least 5 items (some more than once) using multiplication (like $3 \times ₹45$). Show the total and the money left. Round the total to the nearest 10 and 100 . b) On squared paper, draw a rectangular rangoli 12 squares long and 8 squares wide (1 square = 1 cm). Find its perimeter and count its area in square centimetres.
Mission 3	Light Lab a) Fair test: Does a shadow get bigger when the torch moves closer? Keep a small toy and a wall in the same place. Shine a torch from 20 cm, 40 cm and 60 cm away from the toy and measure the shadow's height each time. Record your results in a table. Write what you found. b) Draw and label the circuit of a string of fairy lights (cell, wires, bulb, switch). Explain why the bulb goes out when the switch is open (OFF).
Mission 4	One World, Many Lights a) Compare Diwali with one other festival of light from another country. Draw a Venn diagram to show how they are alike and how they are different. Ask an adult to help you research. b) Crackers make noise and smoke . Create a poster showing how this can affect people, animals and the air. Add 2 ideas for a greener, quieter Diwali and one thing you can do .

DIWALI VACATION PROJECT, 2026-27

Festival of Lights: Brighter, Greener, Smarter

Report it, Measure it, Test it, Change it

Your Mission: You are a **Diwali Ambassador**! Report the news, collect and analyse data, investigate changes and air quality, and speak up for a brighter and greener festival for everyone.

Mission 1	Diwali Daily News a) Write a newspaper report (about 150 words) titled “ An Eco-Friendly Diwali in Our Neighbourhood ” (real or imagined). Include a headline, byline, the 5 Ws (who, what, where, when, why), at least one quotation from a witness in speech marks, and one metaphor or personification . Write in the third person and the past tense . Add a picture with a caption. b) Highlight 3 connectives and 2 adverbial phrases in your report with a different colour.
Mission 2	Data & Money Detective a) Survey: Ask 20 people “What is your favourite Diwali treat?” (laddoo, jalebi, barfi, chakli or other). Make a tally chart and a bar graph with a title, labels and a scale. Find the mode and write 2 questions (with answers) about your graph. b) Your family’s Diwali budget is ₹4,000 . They spend 25% on decorations, 30% on sweets and gifts, and the rest on clothes. Find how much is spent on each, and how much is left for clothes. Show your working.
Mission 3	Chemistry & Air Detective a) Make a table with the headings Reversible and Irreversible , and sort these changes: wax melting, a wick burning, ghee melting, sugar dissolving in water, frying jalebi batter, an incense stick burning. b) AQI Tracker: With an adult, note your city’s Air Quality Index (AQI) at the same time each day for 5 days , including the day before Diwali, Diwali day and the day after (use a weather app or a newspaper). Draw a line graph for 5 days.
Mission 4	Global Citizen: Lights of the World a) Create a “ Green Festival Pledge ” poster with a persuasive speech of 3–4 sentences . b) Write one thing that everyone can do and one thing you will do.

Dear Parents,

We wish you all a very happy and refreshing Diwali vacation. While this is a time for children to relax and enjoy, it is equally important to keep them meaningfully engaged and connected with their learning.

With this in mind, we have designed a diwali project that is both enjoyable and enriching. The activities aim to encourage creativity, reinforce classroom concepts, and promote independent thinking in a fun and engaging manner.

We kindly request parents to allow children to complete this work on their own, with minimal assistance. This will help them develop confidence, responsibility, and a deeper understanding of what they learn.
